NOTICE

2003 International Fire Code

Section 105.3.3, Occupancy prohibited before approval:

The building or structure shall not be occupied prior to the code official issuing a permit that indicates applicable provisions of this code have been met.

Occupy – To take up space within a building with people, furniture or storage.

Exception – Contract personnel, building material and equipment used in the construction process shall not be considered occupying the building.

Failure to comply may render you and the company you represent liable to penalties provided by law for such violation.
